

BANNOCKBURN

Bannockburn “The Estate” Wines.

In 2005 a change in winemaking direction and a revised attitude to vineyard yields led to the decision to relegate fruit off our younger vines and higher yielding vineyards to a second tier Bannockburn label, called The Estate wines.

Using the classification tradition of the great vineyards of Burgundy, “The Estate” wines could be called our “village” wines as distinguished from our “premier cru” Bannockburn Pinot Noir, Chardonnay and Shiraz and our “grands crus” Serre and SRH.

The Estate range represents great value, quality wine from an iconic winery. They are not available through mainstream retailers and can only be purchased direct from the winery and through small select wine outlets.

Bannockburn The Estate Chardonnay 2005....grapefruit and peach aromas with some nutty, savoury characters. Rich and well rounded on the palate, but not overtly. Good acidity, also some malolactic and lees influences. Integrated French oak on the finish.

Bannockburn The Estate Pinot Noir 2005....cherry and raspberry aromas with rhubarb undertones. A fine, silky palate with some richer, plummy flavours, also black cherries. Lovely acidity, fine tannins and good palate length.

Bannockburn The Estate Cabernet-Merlot 2005....lifted dark fruit with hints of mint leaf on the nose. Juicy dark berries with some developed savoury complexity on the palate. A firm, ripe tannin finish. Will age beautifully.

Bannockburn The Estate Shiraz 2005....a restrained nose of blackcurrant, plum and black pepper. Warm berry flavours together with “cool climate” cherry and raspberry. Fine, grippy tannins with a hint of chocolate and savoury oak on the finish.

Bannockburn The Estate Wines Order Form

	Doz. price	Bottle price
